

Farmers' Market Safety Measures

- If you are sick, please go home
- Keep 6 feet between you and others, including vendors and customers
- Cloth face coverings are recommended for vendors and customers
- Reusable bags are not permitted
- Do not touch produce, let the vendors handle the produce
- Thoroughly wash your hands and produce when you get home
- Sampling of food or consumption of food on-site is not allowed

Please follow these safety measures to allow
our farmers' market to continue. Thank you!
